

Materials Needed:

- Felt in two colors (we used red, 'cause it's a cherry pie, and tan for the crust!)
- Scissors/pinking shears
- Glue or a sewing machine
- Brooch back or safety pin

Instructions:

1. Use the template to cut out pie shapes from felt or just wing it!

2. Pink the edges if you want some authentic looking crust
3. Glue down your pie "filling"

- Cut strips from your leftover crust felt for detailed latticework crust

- Weave your lattice work together and sew or glue it down!

- Hot glue or stitch to a brooch back (or safety pin) – you're done!
